Portuguese: Native

English: Advanced

EXPERIENCE

■ *Finsolutia* **- UX/UI Designer, Front-End Developer** *(2021-2022)*

- I worked on several websites of companies linked to the same group;
- Designed and coded websites, landing pages, profile templates and simulators;
- Redesigned and coded contact pages and various sections in different types of pages;
- I was in charge of the ux/ui design and programming of all the pages I worked on;
- Restructured html and fixed bugs.

Technologies – Figma; Photoshop; Illustrator; HTML; CSS/SASS; JavaScript; ASP.NET MVC

■ *Personal Portfolio* **- UX/UI Designer, Front-End Developer** *(2021-Present)*

- Designed and wrote the code for my portfolio in order to apply the knowledge acquired in the area of ux/ui design and programming. Showcase of the projects I developed.

Keywords: responsive design
